

Certificate

for

The greenhouse gas emissions generated by the production and the distribution of Anfibio Packrafts from **Anfibio Packrafting, Schellin & Kreinacker GbR** from 2018 up to and including 2022 have fully been offset.

This certificate confirms

that these emissions were offset by emission reductions through the climate protection projects

Sustainable forest management Florestal Santa Maria, Brazil
Conserving native forest in Cordillera Azul National Park, Peru
Forest protection in Para, Brazil

First Climate has permanently retired the corresponding emission reduction certificates irrevocably from the market.
